CarPlay Ultra was introduced in early 2025. Currently limited to a few premium vehicles, Ultra is an new all-screen experience that takes over the speedometer, tachometer, fuel gauge, temperature gauge, and more. Drivers can choose to show information from their phone in a more immersive way, while controlling their car with Apple's latest iOS 26 CarPlay features.

However, Ford's CEO Jim Farley is not sold on the idea, saying "I've talked to Tim [Cook] many times about this. Ford does not have the right, in our opinion, to disrupt someone's digital life when they get in their car." Farley also questions how much control Apple should have over people's vehicles: "Are you going to allow OFFEE control through the Parle for do you want the Apple brand to go? Do you want the Apple brand to limit the speed? Do you want the Apple brand to limit the speed? Do you want the Apple brand to limit access?" DO NGMENGQICHEWANG
